

Weekly Learning Letter

Year One – Week Commencing 7th December 2020

<p>This week in Year One...</p>	<p><i>This week we have had a wonderful Christmassy week! We have enjoyed our Christmas dinners and loved the pantomime on Friday afternoon. The children are excitedly getting their writing ready for our Toy Museum next week.</i></p>
<p>Partnered Reading</p>	<p><i>In Partnered Reading this week the children have been looking at three different books. We have allocated each book to the children on Bug Club so that the children can show you how much they have progressed in their reading throughout the week. Ask your child which book they have read this week.</i></p> <p><i>The Snow Monster</i> <i>Follow The Clues</i> <i>Sid Cam</i></p>
<p>Reminder</p>	<p><i>Please can you ensure your child has a toy in school for our toy museum. The toy museum will take place on Thursday afternoon. We will be welcoming children from the infant school and Mrs Puxley and Mrs Dolby to visit. It is unfortunate that we cannot have families into school but want to be cautious so you can all enjoy your Christmas surrounded by your nearest and dearest.</i></p> <p><i>On Wednesday 15th, we will collect in reading books and diaries for safekeeping over the holidays. We will ensure your bug club is updated. Please contact your class teacher if you run out of books.</i></p>
<p>Maths</p>	<p><i>In Maths this week we have been continuing our work on teen numbers. The children have then used their knowledge of teen numbers to find one more and one less, as well as comparing both groups and numbers using the symbols of greater than, less than and equal to.</i></p>
<p>English</p>	<p><i>The children have really immersed themselves into their English work this week. The children have been creating their very own Katherine Semar Museum. The children have drawn and labelled their favourite toy as well as written their own information booklet all about their toy ready for it to be put on display next week.</i></p>

Phonics	<i>In Phonics this week the children have been reviewing the alternative sounds that they have covered throughout the half term. The children have been recapping their knowledge of split digraphs (a-e, e-e, i-e, o-e, u-e), or sounds (or, au, aw), and the ue sounds (yoo) and (oo).</i>
This week's spellings:	<i>This week's spellings are: shepherd, stable, king, Jesus, star – linked to our key RE vocabulary.</i>

To support your child's learning at home this week you could...

Computing – can you use a keyboard to type your name? You could use a keyboard on a touch screen device or a desktop keyboard. **You could challenge yourself to write a sentence to send to your teacher on seesaw!**

English – Can you remember the features of an information text? Maybe you could write an information text about another of your toys.

Maths – Play place value basketball by scanning the code below:
