

Home Learning Tasks for Y5

This home learning letter provides your child with learning activities from various areas of the curriculum to complete at home. Each area of learning will have a link, which you can use to access the work. Please ensure the maths and English tasks are completed in the morning and the foundation activities (science and topic) in the afternoon, as it would be in school.

One maths and English task should be completed every day. One foundation activity must be completed each day, your child can choose between science and topic. Please ensure your child completes a minimum of 2-3 GPS tasks a week and reads a book every day.

English (x 60 minutes each day)

This half term we will be learning about Victorian childhoods. We will start by writing a recount or diary entry for a Victorian child.

<https://classroom.thenational.academy/units/the-windrush-diary-writing-6b05>

Please use the above link to Oak Academy for the daily writing activity, which is writing a diary entry based around the Empire Windrush. The Windrush sailed hundreds of migrant people from Jamaica to England in 1948. These lessons will enable children to practise the skills that they would be using in class even though it does not relate directly to our Victorian topic. Each daily lesson provides a learning video to follow and an activity to complete. Watch the video in full prior to completing the task. Start at lesson 1 and continue to work your way through the lessons each day.

We would really love to see your beautifully presented diary entries, so enjoy publishing them.

Most of our writing this half term will be based around the children's understanding of the book 'Street Child' by Berlie Doherty. The following link will take you to short discussion and comprehension lessons based around this popular children's novel.
