

Home Learning Tasks for Y3

This home learning letter provides your child with learning activities from various areas of the curriculum to complete at home. Each area of learning will have a link which you can use to access the work. Please ensure the maths and English tasks are completed in the morning and the foundation activities (science and topic) in the afternoon, as it would be in school.

One maths and English task should be completed every day. One foundation activity must be completed each day, your child can choose between science and topic. Please ensure your child completes a minimum of 2-3 GPS tasks a week and reads a book every day.

English

(x 60 minutes each day)

<https://classroom.thenational.academy/units/pandas-non-chronological-report-b43a>

Please use the above link to Oak Academy for the daily writing activity. This is a non-fiction writing unit teaching the children to recognise the features of and write their own information texts. Each daily lesson provides a learning video to follow and an activity to complete. Watch the video in full prior to completing the task. Start at lesson 1 and continue to work your way through the lessons each day.

Grammar, Punctuation and Spelling

(x 20 minutes per day)

Login to your Espresso account and select KS2 English – from here you can select the Grammar, Punctuation and Spelling section – click on this and select one of the activities to play. There are videos, quizzes, and activities to complete.

Alternatively, follow the lesson on oak academy

Spelling :

<https://classroom.thenational.academy/subjects-by-key-stage/key-stage-2/subjects/english-spelling>

Grammar:

<https://classroom.thenational.academy/units/grammar-practice-e855>

Maths

(x 60 minutes)

10-15 min Daily practice of times tables at <https://play.trockstars.com/>

In mathematics we would like you to complete daily lessons using Oak Academy. Use the link below to access these lessons. Each unit (sequence of lessons with a given topic) is numbered. Please start on unit 4 – Addition and subtraction - click on 'see unit', access each lesson by clicking 'view lesson in classroom.' Complete one lesson per day – each lesson provided has a teaching video and a main activity. If you complete the series of lessons from the unit 4, continue onto unit 6 Multiplication and division.
