

Home Learning Tasks for Y1

This home learning letter provides your child with learning activities from various areas of the curriculum to complete at home. Each area of learning will have a link which you can use to access the work. Please ensure the maths and English tasks are completed in the morning and the foundation activities (science and topic) in the afternoon, as it would be in school.

One maths, English and phonics task should be completed every day. One foundation activity must be completed each day, your child can choose between science and topic. Please ensure your child reads every day.

English (x 60 minutes each day)

Over the next half-term, we will be learning about Defeating the Monster stories. Our key text in school is The Three Little Pigs. We will also be looking at 'Huff Puff Houses' for our poetry. Below are some suggested stories or clips to watch and some linked activities to work through. There are ten activities so you can complete one each day.

'On The Way Home' by Jill Murphy.

- Before reading the story, can you write what you think may happen to the girl on the way home?
- Can you write one way that Claire could have hurt her knee? Which monster did she defeat and how did they trip her over?
- Can you make a list of all of the characters that Claire meets on her journey home? Can you describe each of them with an adjective? E.g. a green slithery snake.
- There are lots of different characters in the book such as the Woodcutter. Can you think of any other stories or films that they have appeared in?
- Choose a monster. Can you write a description of them using adjectives, capital letters and full stops?
- Choose a monster. Can you write a story about them and what they might do next?

Topic related writing

- Can you write about your favourite fairy-tale and explain why? Make sure you use capital letters and full stops appropriately.
- Who is your favourite character from a story book? Can you describe them using the word 'and' to join your sentences?

Hansel and Gretel

<p>Independent Play</p>	<p>Play allows children to use their creativity while developing their imagination, dexterity, and physical, cognitive, and emotional strength. Play is important to healthy brain development. It is through play that children at a very early age engage and interact in the world around them. So remember to get your toys out and play for at least an hour a day!</p>
