

## Home Learning Tasks for EYFS

This home learning letter provides your child with learning activities from various areas of the curriculum to complete at home. Each area of learning will have a link which you can use to access the work. Please ensure the maths and English tasks are completed in the morning and the foundation activity (understanding the world) in the afternoon, as it would be in school.

One maths, English, phonics and foundation task should be completed every day. Additionally, please ensure you read with your child every day.

<b>(x 30 minutes)</b>	Please join in with Cosmic Kids yoga session. This video is all about food, your child can join in with the yoga video and then experience the taste test.
<b>Independent play</b>	Play allows children to use their creativity while developing their imagination, dexterity, and physical, cognitive, and emotional strength. Play is important to healthy brain development. It is through play that children at a very early age engage and interact in the world around them. So remember to get your toys out and play for at least an hour a day!
