

We would like to introduce the Uttlesford Community School Nursing Team.

We work for the **Essex Child and Family Well Being Service** and support all Primary Schools and Secondary Schools.

You can contact us for any concerns regarding your physical or emotional health via:

- the online texting service **CHATHEALTH** the number is **07520 615733** (secondary school pupils)
- you can call us on **0300 247 0122**
- or you can go to the **Essex Child and Family Well Being Service website**. Here you can find all of other contact numbers that you may require.

Please call if you need support or advice.
