

Weekly Learning Letter

Year One – Week Commencing 16th May

<p>This week in Year One...</p>	<p>The children have had another wonderful week in Year 1! The children had a brilliant topic land on Monday where the children enjoyed time on the playground and the field on their scooters and bikes. The children have also had a lovely time outside in the beautiful weather this week! Well done Year 1!</p>
<p>Reminder</p>	<p>As the weather is getting warmer could we please ask that children bring in a cap/sunhat if it is sunny, and could sun cream please be put on the children before they come into school.</p> <p>Another massive favour – Could we please have a photo of your child from when they were a baby as part of our PSHE work next week. We will be trying to guess who each other are from the photos!</p> <p>Thank you!</p>
<p>Partnered Reading</p>	<p>In Partnered Reading this week the children have been looking at three different books. We have allocated each book to the children on Bug Club so that the children can show you how much they have progressed in their reading throughout the week. Ask your child which book they have read this week.</p> <p>The Fox and the Ducks Little Red Riding Hood Butterfly Pie Kat's Great Act</p>
<p>Maths</p>	<p>This week in Maths the children have been continuing their work on finding quarters. The children have been finding quarters of a quantity by grouping, as well as finding a quarter of an amount. The children have been using STEM sentences to help us with this. e.g. A quarter of ____ is ____.</p>
<p>English</p>	<p>This week the children have finished their innovated story of Mrs Armitage on Rollerskates. The children have done such a fantastic job of this and have worked extremely hard! The children have then worked on a non-chronological report all about Mrs Armitage's bike. The children have worked on picking apart the features of the text.</p>

Phonics	<i>The children have been working on consolidating their knowledge of Phase 5 digraphs this week. The children have been recapping all of the different ways to make 'ee' as well as recapping their split digraphs of 'a-e, e-e, i-e, o-e, u-e).</i>
This week's spellings	<i>This week the children's spellings are: Monday, Tuesday, Wednesday</i>

To support your child's learning at home this week you could...

Monday

PHONICS

Keep practising your phonics on some fun games at home this weekend. Phonics Play and Phonics Bloom are brilliant. You might even be able to find some apps to help you too.

Maths

Place Value Basketball – you can find this online on ictgame.com where you can find lots of other fantastic maths and educational games for the children.
