

Weekly Learning Letter

Year One – Week Commencing 13th June

<p>This week in Year One...</p>	<p>The children have had another great week this week. The children have launched their topic by going on a treasure hunt around their classrooms and the outdoor area to find the treasure at the end! The children have also loved welcoming in their family members to celebrate Father's Day! The children (and grown-ups really enjoyed all of the activities. Thank you for coming along!</p>
<p>Reminder</p>	<p>As the weather is getting warmer could we please ask that children bring in a cap/sunhat if it is sunny, and could sun cream please be put on the children before they come into school.</p> <p><u>Creative Arts Week – week commencing 27th June</u> During Creative Arts Week the children will be making their own piece of art made of recyclable materials. Please could we ask you to bring in any clean recyclable materials over the next 2 weeks. These can include cereal boxes, plastic bottle tops and other recyclable materials. Thank you again!</p>
<p>Partnered Reading</p>	<p>In Partnered Reading this week the children have been looking at three different books. We have allocated each book to the children on Bug Club so that the children can show you how much they have progressed in their reading throughout the week. Ask your child which book they have read this week.</p> <p>The Queen's Plan Animal Skeletons Giant George and The Robin Mulan</p>
<p>Maths</p>	<p>This week the children have been continuing to work on their numbers to 100. The children have been looking at counting forwards and backwards up to and including 100 and have also been working on partitioning numbers into two parts too (tens and ones). E.g. 56 has 5 tens and 6 ones. The children have then challenged themselves and have been drawing their own part whole models to aid them in their learning.</p>

<p>English</p>	<p>This week the children have been introduced to their new book for this half term 'The Pirates Next Door' by Jonny Duddle. The children have really enjoyed reading sections of the book each day, working on making inferences about the characters based on what they say and do. The children have written their own thought bubble for the main character Matilda as well as writing a diary entry for one of the characters too.</p> <p>You can listen to the book aloud on Youtube and you can find the link here: https://www.youtube.com/watch?v=QamzY39CT6o</p>
<p>Phonics</p>	<p>The children have been working on their spellings this week. The children have been learning the best bet spellings for 'igh'. The children have been playing games as well as word sorting. You can access many of these games on Phonics Play or Phonics Bloom.</p>
<p>This week's spellings</p>	<p>This week the children's spellings are spellings from throughout the year. Please feel free to look back in your child's reading diary to practise any others that you feel your child needs to work on.</p> <p>Tuesday, they, people, could, their.</p>

To support your child's learning at home this week you could...

Spellings – Rainbow Spellings

Choose as many different colours as you can to create your spellings. You could even do bubble spellings if you want to!

Phonics

Keep practising your phonics on some fun games at home this weekend. Phonics Play and Phonics Bloom are brilliant. You might even be able to find some apps to help you too.

Geography

- Can you create your very own pirate map with some treasure and use your directional language (North, South, East, West) to help you find it.
- Can you find out some facts about the different continents from around the world?
