NELFT NHS Foundation Trust

The Southend, Essex and Thurrock Child and Adolescents Mental Health Service (SET CAMHS)

provides advice and support to children, young people and families who are in need of support with their emotional wellbeing or mental health difficulties.

NELFT works in partnership with HCRG Care Group to deliver this service.

The service covers Southend, Essex and Thurrock and is open to young people between the ages of 0-18 (or up to 25 with special educational needs).

- Any child or young person experiencing mental health difficulties as well as any parent, guardian or professional can access the service for help and guidance.
- SET CAMHS is based on the Thrive Framework, which is needs-led, outcomes-focused and works in partnership with young people and families through shared decision-making to be accessible, use common language, reduce stigma and be proactive in helping communities to support mental health and wellbeing.

When the service can help

Everyone goes through ups and downs, but sometimes feelings or behaviours can start to get in the way of day-to-day living. When this happens, it might be time to seek some help.

We can support people with a range of mental health difficulties faced by young people, which can include:

- Low mood
- Anxiety
- Obsessional thoughts
- Self-harm
- Sleep problems

- Body image and eating difficulties
- Behavioural and emotional difficulties
- Trauma and loss
- Parenting and family difficulties

These are some of the things we can help you with. If we feel SET CAMHS is not right to help your particular need, then we can put you in contact with a number of different organisations.

What the service can do

SET CAMHS offer a range of both individual and group talking therapies such as:

- CBT (Cognitive Behavioural therapy)
- DBT (Dialectical Behavioural therapy)
- Trauma-focused therapies
- Play based therapies
- Counselling
- Art and creative therapies
- Psycho-dynamic therapy
- Family therapy
- Group Therapy
- Medication

A journey through the service

Waiting times may vary but we aim to see people within 12 weeks

However, if you find that things become more stressful while you are waiting to be seen, contact us as soon as possible so we are able to provide support.

Our **Instagram** account aims to help us better support and communicate with young people who might be struggling with their mental health or wellbeing. All the content is coproduced with young people and covers a range of topics including information about specific mental health difficulties, ways to practice self-care and useful resources to get involved

ways to practice self-care and useful resources to get involved with at home. "We want to raise awareness and understanding of a wide range of wellbeing challenges and empower young people

to feel more in control of their own mental health."
