

## Home Learning Tasks for Y2

This home learning letter provides your child with learning activities from various areas of the curriculum to complete at home. Each area of learning will have a link which you can use to access the work. Please ensure the maths and English tasks are completed in the morning and the foundation activities (science and topic) in the afternoon, as it would be in school.

One maths, English and phonics task should be completed every day. One foundation activity must be completed each day, your child can choose between science and topic. Please ensure your child reads every day.

To access Phonics Play enrol for a free trial whilst you are at home isolating.

<b>Independent Play</b>	<p>Play allows children to use their creativity while developing their imagination, dexterity, and physical, cognitive, and emotional strength. Play is important to healthy brain development. It is through play that children at a very early age engage and interact in the world around them.</p> <p>So remember to get your toys out and play for at least an hour a day!</p>
