

Weekly Learning Letter

Year One – Week Commencing 12.2.24

This week in Year One...	<p><i>This week we have enjoyed continuing our learning about Judaism in RE, focusing on Shabbat. We have also thoroughly enjoyed creating our final piece of artwork inspired by Henri Matisse. We then evaluated our artwork based on the skills and knowledge we had learnt. We created a gallery of our own.</i></p> <p><i>We are so proud of the children for their hard work and accomplishments this half term- we can't wait for Spring 2. Have a wonderful break.</i></p>
Reminder	<p><i>After half term, the children will continue to have PE on Monday afternoons and will start swimming on a Wednesday afternoon.</i></p>
English	<p><i>In English, we have enjoyed writing our own adverts for the houses we built. The children ensured they used persuasive adjectives to entice people to buy their house.</i></p>
Maths	<p><i>In maths, we have been learning our numbers to 50. We have been looking at how to compose the numbers using tens and ones. We have used and drawn different representations to consolidate our understanding of what each digit means in numbers to 50.</i></p>
Phonics	<p><i>In Phonics this week we have consolidated our learning so far. We have focused on 'ey' u-e and ea. The children have enjoyed writing silly sentences.</i></p>

To support your child's learning at home this week you could...

- *English: Whilst having fun over half term, you may wish to write down an activity you have enjoyed or drawn a picture and label it.*
- *Maths: In mathematics this week, see when you are out and about if you can spot any numbers to 50. How many numbers did you spot- write them down.*
- *Have fun!!!*
