

## Home Learning Tasks for Y1

### Summer 1

This home learning letter provides your child with learning activities from various areas of the curriculum to complete at home. Each area of learning will have a link which you can use to access the work. Please ensure the maths and English tasks are completed in the morning and the foundation activities (science and topic) in the afternoon, as it would be in school.

One maths, English and phonics task should be completed every day. One foundation activity must be completed each day, your child can choose between science and topic. Please ensure your child reads every day.

<b>English</b> (x 60 minutes each day)	Complete a unit of work on Jack and the beanstalk .  <a href="#">Unit: 'Jack and the Beanstalk': reading and writing   KS1 English   Oak National Academy (thenational.academy)</a>																																																
<b>Phonics</b> (x 15 minutes per day)	Look at your weekly learning letter to see what phonemes your child is learning this week.  Practise reading and spelling the year 1 common exception words. <div data-bbox="395 1211 1305 1839" style="background-color: #90EE90; padding: 10px; border: 1px solid black;"><h3 style="text-align: center; margin: 0;">Year 1 Common Exception words</h3><table style="width: 100%; border-collapse: collapse;"><tr><td>the</td><td>his</td><td>go</td><td>ask</td></tr><tr><td>a</td><td>has</td><td>so</td><td>friend</td></tr><tr><td>do</td><td>I</td><td>by</td><td>school</td></tr><tr><td>to</td><td>you</td><td>my</td><td>put</td></tr><tr><td>today</td><td>your</td><td>here</td><td>push</td></tr><tr><td>of</td><td>they</td><td>there</td><td>pull</td></tr><tr><td>said</td><td>be</td><td>where</td><td>full</td></tr><tr><td>says</td><td>he</td><td>love</td><td>house</td></tr><tr><td>are</td><td>me</td><td>come</td><td>our</td></tr><tr><td>were</td><td>she</td><td>some</td><td></td></tr><tr><td>was</td><td>we</td><td>one</td><td></td></tr><tr><td>is</td><td>no</td><td>once</td><td></td></tr></table><p style="text-align: right; font-size: small; margin-top: 5px;"><a href="http://themumeducates.com">themumeducates.com</a></p></div> <p>You could do this by:</p> <ul style="list-style-type: none"><li>- writing them in rainbow colours</li><li>- writing them in bubble writing</li><li>- building each letter out of playdoh to make the word</li></ul>	the	his	go	ask	a	has	so	friend	do	I	by	school	to	you	my	put	today	your	here	push	of	they	there	pull	said	be	where	full	says	he	love	house	are	me	come	our	were	she	some		was	we	one		is	no	once	
the	his	go	ask																																														
a	has	so	friend																																														
do	I	by	school																																														
to	you	my	put																																														
today	your	here	push																																														
of	they	there	pull																																														
said	be	where	full																																														
says	he	love	house																																														
are	me	come	our																																														
were	she	some																																															
was	we	one																																															
is	no	once																																															

	<ul style="list-style-type: none"> <li>- hiding them around the house and when you find one, read it then write it 5 times</li> <li>- seeing how many you can write in a minute</li> <li>- writing them into a sentence</li> </ul>
<p><b>Maths</b> (x 60 minutes)</p>	<p><a href="#">10MM: Practice writing your number bonds to 20 (and different numbers up to 20) every day.</a> You could do this on Hit the Button: <a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a></p> <hr/> <p>In mathematics we would like you to complete daily lessons using Oak Academy. Use the link below to access these lessons. Each unit (sequence of lessons with a given topic) is numbered, start from 4 and click on 'see unit', access each lesson by clicking 'view lesson in classroom.' Complete one lesson per day – each lesson provided has a teaching video and a main activity. Complete unit</p> <p><a href="#">Free KS1 Maths teaching resources   Page 1 of 2   Oak National Academy (thenational.academy)</a></p> <p>If you finish, you could download the White Rose Maths app (1 Minute Maths). This app is really helpful for the children to practise their number bonds as well as simple addition and subtraction questions. <a href="https://whiterosemaths.com/1-minute-maths">https://whiterosemaths.com/1-minute-maths</a></p> <p>ICT Games You may even want to play some games on ict games. You could play the shark numbers game – concentrating on tens and ones, as well as the number facts part whole game too. <a href="https://www.ictgames.com/mobilePage/index.html">https://www.ictgames.com/mobilePage/index.html</a></p>
<p><b>Science</b> (x 40 minutes)</p>	<p>This half-term we are learning all about forces. Watch the below videos and see if you can explain to a grown-up how a car might move if you push it along. <a href="#">What are the different forces? - BBC Bitesize</a></p> <p>You could set up an experiment to explore what might affect how far a push-car can travel. You could set ramps at different heights and find the best height for both speed and distance. Take photos to put on see-saw and use the key words 'push', 'unbalanced' and 'forces' to explain what happens.</p> <p>You could do some retrieval work on Animals, including humans: <a href="https://classroom.thenational.academy/units/the-animal-kingdom-3cfa">https://classroom.thenational.academy/units/the-animal-kingdom-3cfa</a></p>
<p><b>Topic</b> (x 40 minutes)</p>	<p><u>Art</u> In Art, we are learning all about painting and how the mix colours to achieve a desired effect. We will be learning all about Wassily Kandinsky - you could try to recreate his famous Concentric circles.</p>

You could also explore the Oak Academy for further learning about painting: <https://classroom.thenational.academy/units/painting-29e7>

History

In History, we will be exploring the topic of significant individuals. Please look at the 'Explorers and Adventurers' topic on The Oak Academy and follow the lessons. Our main focus is on Amelia Earhart, you could make a poster about why she is so important.

You can find the link to the lessons here:

<https://classroom.thenational.academy/units/explorers-and-adventurers-uc9t0nm>

**Reading For Pleasure (x 20mins per day)**

Read a book of your choice, discussing it with an adult.

Login to your Bugclub account, read your allocated books and try the comprehension activities. Please email the school office if you need extra books added.

Username – first 4 letters of your first name followed by the first 4 letters of your surname.

Password – squirrel/skylark

School Code – ksis

**Physical Exercise (x 30 minutes)**

Create a free imoves account and access a variety of physical activities from home: <https://imoves.com/>

Try some of 'The Body Coach' workouts:

<https://www.youtube.com/playlist?list=PLyCLOpd4VxBvPHOpzoEk5onAEbq40g2-k>

Stretch, bend and get movin' with the Cosmic Kids Yoga YouTube channel, where you'll find 10-20 minute guided yoga workouts:

<https://www.youtube.com/user/CosmicKidsYoga>

Find further ideas and links here:

<https://www.weareteachers.com/virtual-pe-classes/>

**Independent Play**

Play allows children to use their creativity while developing their imagination, dexterity, and physical, cognitive, and emotional strength. Play is important to healthy brain development.

It is through play that children at a very early age engage and interact in the world around them.

So remember to get your toys out and play for at least an hour a day!
