

Home Learning Tasks for Y6

This home learning letter provides your child with learning activities from various areas of the curriculum to complete at home. Each area of learning will have a link which you can use to access the work. Please ensure the maths and English tasks are completed in the morning and the foundation activities completed in the afternoon, as it would be in school.

One Maths and English task should be completed every day and 30 min of PE. One foundation activity must be completed each day (Science, Geography, Computing). Please ensure your child completes a minimum of 2-3 GPS tasks a week and reads a/some of their book every day.

English

(x 60 minutes each day)

To support the children's reading and writing, please follow this unit.

[Unit: Reading for Pleasure Year 6 | KS2 English reading for pleasure | Oak National Academy \(thenational.academy\)](#)

Grammar, Punctuation and Spelling

(x 20 minutes per day)

Alternatively, follow the links on oak academy

Spelling:

In mathematics we would like you to complete daily lessons using Oak Academy. Use the link below to access these lessons. Each unit (sequence of lessons with a given topic) is numbered, start from 2 and click on 'see unit', access each lesson by clicking 'view lesson in classroom.'

Complete one lesson per day – each lesson provided has a teaching video and a main activity. If you haven't done it before, we would like you to start at unit 2 (multiplication and division). Then continue onto 3 and so on.
