

# All Over the World

Words and Music by Jeff Lynne

Ooh, ooh.

Everybody all around the world,  
Gotta tell you what I just heard,  
There's gonna be a party all over the world.

I got a message on the radio,  
But where it came from, I don't really know,  
And I heard these voices callin' all over the world.

All over the world,  
Everybody got the word.  
Everybody everywhere is gonna feel tonight.

Ooh, ooh.  
Everybody walkin' down the street,  
Everybody movin' to the beat,  
They're gonna get hot down in the U.S.A.

We're gonna take a trip across the sea;  
Everybody come along with me,  
We're gonna hit the night down in Gay Paree.

All over the world,  
Everybody got the word.  
Everybody everywhere is gonna feel tonight.  
All over the world.

London, Hamburg, Paris, Rome,  
Rio, Hong Kong, Tokyo,  
L.A., New York, Amsterdam,  
Monte Carlo, Shard End, and...

All over the world,  
Everybody got the word.  
Everybody everywhere is gonna feel tonight.  
Ooh, ooh.

Everybody all around the world,  
Gotta tell you what I just heard,  
There's gonna be a party all over the world.  
All over the world,  
Everybody got the word.  
Everybody everywhere is gonna feel tonight.

Ooh, all over the world,  
Everybody got the word.  
Everybody everywhere is gonna feel tonight,  
Is gonna feel tonight, is gonna feel tonight.  
Ooh, ooh.
