

Weekly Learning Letter

Year One – Week Commencing 20th October 2025

This week in Year One...	<p>In Year 1, we celebrated our learning and topic land with a superhero day! We loved seeing everyone's outfits and had a fantastic time hearing from real life superheroes in our Year 1 community. We also really enjoyed our visit from the Fire brigade.</p> <p>In DT, we tasted a range of flapjacks, thought about what we liked and disliked and then designed and made our own healthy flapjack. We tried locally grown fruits and talked about the environmental impact of food miles. We used skills including mixing, measuring, grating, and cutting.</p> <p>In RE we have been learning about the Hindu religion and how they use the 5 senses in their worship.</p>
Maths	<p>In Maths this week, we have been continuing our learning of number bonds within 10 and number bonds to 10.</p>
English	<p>This week we have been using lots of oracy skills to explain our views and frame answers to questions. We have been following instructions and re-telling instructions using time words.</p>
Phonics	<p>This week in Phonics we have been recapping our phase 3 graphemes and continuing to look at all our new phase 5 graphemes that we have covered so far this year. We have been applying these graphemes in our writing as well as our reading.</p>
This week's spellings:	<p>There are no set spellings to work on over half term but please re-visit all of the spellings we have covered so far this year.</p>
Homework	<p>Read every day and record it in your reading record.</p> <p>To support your child's learning, you may wish to continue learning your number bonds to ten using the game Hit the Button. Select number bonds – up to 10 – make 10: https://www.topmarks.co.uk/maths-games/hit-the-button</p>
