

Weekly Learning Letter

Early Years

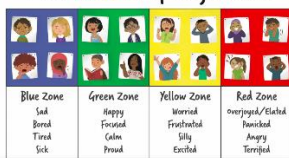

Week commencing 24.11.25

This week in Year Early Years ...

Our focus this week has been People Who Help Us through the night. We jumpstarted the learning with a visit from Barnabus's Daddy who is a Police Officer. He talked to us about how he helps people through the night and how a Police Officer's job is to keep us safe. We then met a local Firefighter and Medic who shared his experiences as a Fire Fighter and Medic. The children really enjoyed discussing different jobs that people have a night and why these are important.

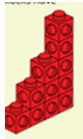

English

The ZONES of Regulation

We have continued our learning using the 'Owl Babies' story. Our focus has been thought and speech bubbles. The children discussed the Zones of Regulation and how the baby owls felt at different moments during the story. If you wanted to discuss these further with your child please use this [LINK](#) to find more information on our website. The children wrote thought and speech bubbles about how they felt or what they might say when they see Mum has vanished.

Maths

This week we have been learning about comparison of numbers. We started the week by building towers of 5. Our focus was adding one more to the tower each time. Towards the end of the week the children explored 2D shapes with the focus being on triangle and square.

Phonics

This week we have learned: ch, sh, th, ng
Our High Frequency Words this week: that, this, then, them, with
Tricky words to spell: I, into
Tricky words to read: they

Homework

- Talk to your child about different zones of regulation. When you are sad what can you do to feel happy again? If you are angry, what makes you angry? How can you make yourself feel calm?
- Sing 5 currant buns together

Reminders

Please look in your child's reading record and ensure you can provide their Christmas costume. If you cannot manage this, please let us know as soon as possible.

Please ensure you only put water in child's water bottle. We have regular spillages and when juice/squash is in their bottles it can cause sticky problems.

Thank you.
