

Weekly Learning Letter

Early Years

Week commencing 08.12.25

This week in Year Early Years ...

This week has been busy with the children showing their fabulous singing and performing skills. Leo the Lion has been amazed by all the children's confidence! Towards the end of the week the children enjoyed being the audience for a change, as they watched the panto 'Little Red Riding Hood'. Afterwards the children enjoyed continuing in the festive spirit with a party lunch. What a festive week we have had together.

English

This week the children have been focusing on writing cards, with a focus on their letter formation. We have also been continuing with writing letters to Father Christmas or a family member to ask for a present. The children have enjoyed practising their reading and showing off their Phonics knowledge to us with their Phonics assessments.

Maths

This week we have been focusing on the composition of 4 and 5. Exploring different ways we can make 4 and 5. We threw 4 beanbags into a hoop and the ones on the outside of the hoop and the ones on the inside of the hoop made the parts and whole. The children used the STEM sentence part of me is ____, part of me is ____, the whole of me is 4. We played similar games for the composition of 5.

Phonics

Revision of all the letters and sounds taught so far.
Reading and writing captions.

Homework

- Ask your child 'Who' was in the story of Little Red Riding Hood? 'Where was the story set'?
- Play a board game together

Reminders

Next week is our final week of Term 1.
School Finishes at 2pm on Friday 19th December.

Thank you.
