

Weekly Learning Letter

Year One – Week Commencing 8th December 2025

This week in Year One...	<p>This week, we have had an action-packed week including the pantomime, the Christmas party lunch and two performances of A Christmas Recipe.</p> <p>We hope you enjoyed watching the performances as much as we have enjoyed rehearsing them.</p> <p>In History, we have enjoyed investigating how technology has changed how children play, and which generation had the best toys.</p>
Maths	<p>In maths, we continued our learning of place value, numbers up to 20. The children have enjoyed focusing on 1 more and 1 less. We have also used a number line and compared numbers to 20.</p>
English	<p>In English, we have written our own fact files all about the toys we brought in from home. We then published our writing in a special booklet ready for our toy museum next week.</p>
Phonics	<p>In Phonics this week we have recapped our learning of phase 3 er and ur. We have also taught phase 5 ir as an alternative. We have read different words and sentences containing these sounds and then applied this knowledge to our writing.</p>
This week's spellings:	<p>Please help your child learn their spellings ready for their Big Spell next week.</p>
Homework	<p>Read everyday and record in your reading record.</p> <p>Learn your spellings.</p> <p>To support your learning in English, you could: write a fact file about yourself or a family member. Can you use adjectives to describe them?</p>
