

Weekly Learning Letter

Year One – Week Commencing 15th December 2025

<i>This week in Year One...</i>	<p><i>This week, we have had an action-packed week including the Santa dash, visiting Santa, Christmas lunch and the carol service.</i></p> <p><i>We have enjoyed investigating how a celebration brings a community together in RE learning about Christmas and Eid. In Science, we have been learning about animals in winter and the difference between bulbs and seeds and evergreen and deciduous trees.</i></p>
<i>English</i>	<p><i>After publishing our own fact files about our toys in English, we really enjoyed showing them to our visitors alongside our toys in our very own toy museum.</i></p>
<i>Phonics</i>	<p><i>In Phonics this week we have been revisiting all our phase 5 phonemes that we learnt over the past two half terms. We have read different words and sentences containing these sounds and then applied this knowledge to our writing.</i></p>
<i>This week's spellings:</i>	<p><i>We have not stuck any new spellings into your child's diary this week. Weekly spellings will continue after the Christmas holidays.</i></p>
