

# Weekly Learning Letter

Year One – Week Commencing 09.2.26

<b>This week in Year One...</b>	<p><i>This week in Year One we have been busy designing and planning houses for Mrs Trotter as part of our DT unit. We really enjoyed building our houses and then evaluating them to see if they were strong, stable and waterproof as well as checking they had all the features that Mrs Trotter had asked for.</i></p> <p><b><i>We are so proud of the children for their hard work and accomplishments this half term.</i></b></p>
<b>English</b>	<p><i>In English, we have enjoyed writing our own adverts for the houses we built. The children ensured they used persuasive adjectives to entice people to buy their house.</i></p>
<b>Maths</b>	<p><i>In maths, we have been learning our numbers to 50. We have been looking at how to compose the numbers using tens and ones. We have used and drawn different representations to consolidate our understanding of what each digit means in numbers to 50.</i></p>
<b>Phonics</b>	<p><i>In Phonics this week we have consolidated our learning so far. We have focused on 'ey' u-e and ea. The children have enjoyed writing silly sentences.</i></p>
<b>Homework</b>	<p><i>Read everyday and record in your reading record.</i></p> <p><i>To support your child's learning you could try and spot any numbers to 50 you see when you are out and about. Can you write the numbers down?</i></p>
