

Weekly Learning Letter

Year One – Week Commencing 09.3.26

<p>This week in Year One...</p>	<p><i>In Year 1 this week we have continued to watch our baby chicks grow. The children have had the opportunity to observe and hold the chicks and have already noticed their feathers starting to grow on their wings.</i></p> <p><i>In Science, the children have been identifying and naming animals including mammals and birds by describing and comparing them.</i></p>
<p>English</p>	<p><i>In English, we have written our very own portal stories. The children used their settings that they created last week to write a setting description within their stories. The focus was on correct use of capital letters, full stops and using similes. We finished the week by looking at the features of a non-fiction text.</i></p>
<p>Maths</p>	<p><i>In Maths, we have been learning about measure, looking at length and height and used non-standard units to measure objects.</i></p>
<p>Phonics</p>	<p><i>In Phonics this week we have been learning the sounds 'wr' in wrinkle, 'tch' in twitch' and rare sh: c(ial) ch, as well as Ss(ion)/ t(ion)</i></p> <p><i>We have also recapped a lot of the sounds we learnt last term. We have read different words and sentences containing these new sounds and then applied this knowledge to our writing. We have also been learning a range of tricky words. Remember that on top of the spellings we send home each week you will also find lists of words for the children to read and write in their reading diaries.</i></p>
<p>This week's spellings:</p>	<p><i>This week's spellings have been stuck into your child's reading diary. Please help your child to learn these words at home each week so they are ready for the Big Spell at the end of the half term.</i></p>
<p>Homework</p>	<p><i>Read every day and record in your reading record.</i></p> <p><i>Learn your spellings.</i></p> <p><i>In Maths to continue your learning you could find objects around the house and measure them using non-standard units eg building blocks or cubes.</i></p> <div data-bbox="475 1765 646 1888" style="text-align: center;">  </div>
