

# Weekly Learning Letter

Year One – Week Commencing 18.5.26

<p><b>This week in Year One...</b></p>	<p><i>We hope you enjoyed the class assemblies this week. We had a lot of fun putting them together! The children put on great performances and we are incredibly proud of their confidence.</i></p> <p><i>We had a fantastic land of our topic on Wednesday with the children bringing their scooters to school for a special scooting session.</i></p> <p><i>We will be swimming after half term.</i></p>
<p><b>English</b></p>	<p><i>In English this week, we have been applying our English learning practising our class assembly and writing about our designs for a new vehicle for Mrs Armitage in DT.</i></p>
<p><b>Maths</b></p>	<p><i>In maths, we completed our unit on fractions. We have been consolidating our learning from across the half term.</i></p>
<p><b>Phonics</b></p>	<p><i>In Phonics this week we have been revisiting all our Phase 5 phonemes. We have read different words and sentences containing these new sounds and then applied this knowledge to our writing. We have also been learning a range of tricky words. Remember that as well as spellings we send home each week, in the reading diaries you will also find lists of words for the children to read and write.</i></p>
<p><b>This week's spellings:</b></p>	<p><i>New spellings will be stuck in into your child's reading diary after half term</i></p>
<p><b>Homework</b></p>	<p><i>Read every day and record in your reading record.</i></p> <p><i>Learn your spellings.</i></p> <p><i>To continue your learning in Maths you could go on a fraction hunt around your house. Which items can be shared in half? Can you share any into quarters. Perhaps you could even have a go at baking a cake or a pizza to then share into halves and quarters. How many pieces will you have?</i></p>
