Weekly Learning Letter

Year One – Week Commencing 4th November 2025

This week in Year One…	*This week in Year 1, we had our first swimming lesson! The children showed a lot of confidence, resilience and had a lot of fun.* *We also started our art topic on printing. The children have enjoyed researching different types of printing.*
Maths	*In Maths, we have continued to learn about the language of subtraction. We have been subtracting by counting back using number lines We have also been looking at number fact families.*
English	*In English this week we have been looking at our new book Knuffle Bunny by Mo Willems. We looked closely at the pictures in the story and made some predictions about what we thought might be happening. We then read the story and wrote a note to the Dad, giving him a reminder to check the washing before putting it in the machine. We finished the week looking vocabulary and making inferences about the story.*
Phonics	*In Phonics this week we have been revisiting all of our phase 5 phonemes that we learnt last half term, as well as focusing on this week's sound: ie, i-e and other alternatives (y). We have read different words and sentences containing these sounds and then applied this knowledge to our writing.*
This week's spellings:	*You will find this week's spellings have been stuck in your child's reading diary. Please help your child learn their spellings ready for their first Big Spell at the end of this term.*
Homework	*Read everyday and record in your reading record.* *Learn your spellings.* *You may also like to play the game Hit the Button to practise number bonds to 10. Select number bonds – up to 10 – make 10:* *https://www.topmarks.co.uk/maths-games/hit-the-button*
